### JOHN RUSSELL IS SAID TO BE SAFE

Message Says Rock Islander Is in Mountains of Mexico With Surveyors.

The American Metal and Refining company has informed Mrs. Roy En-trikin of Moline that her brother, John Russell, a mining engineer employed by the company, is safe as far as they know, and that he was not one of the party of its employees who were attacked and slain by Mexican bandits Monday. He is with a surveying party in the mountains at the present time and had planned to go into the mines in Mexico later. Members of the party who were killed are the ones of whom he spoke, in his last letter to relatives here, as having left for Mexico and by good fortune he was chosen to be of the party to leave at a later date. Consequently there is rejoicing among his relatives and friends of this locality. Mr. Russell is a brother of the Misses Elizabeth, Helen and Mary Russell and John Russell, 4215 Fifth avenue, Rock Island.

**Bennett Addresses Young People.**  
William Rainey Bennett, lyceum speaker of national repute, was a speaker last evening in the Moline high school auditorium. Mr. Bennett had some worth while things to say about young men and young women, among which was the declaration that every normal young man and young woman in Moline has the power to be something greater than he or she is at present, to imagine nobler things, and through faith in self and by possession of bulldog tenacity to never be downed, draw from the memories of the past a vision of greater things in the future, which will not fail to be ultimately realized. "No one of you has plowed up to the fence corners of your possibilities," was what the speaker told the young people of the audience.

#### POLICE NEWS

In the arrest of Marion Ray by local police, Deputy Marshal Berger of Iowa City said local authorities apprehended a smooth swindler who has been arrested numerous times before, but who always managed to settle difficulties out of court and get off lightly. Deputy Berger told the police here yesterday just before he returned Berger to Iowa City that the prisoner had been working in a restaurant and had departed with \$60 in cash belonging to the proprietor. The officer declared that the police had the goods on Ray this time and that he would not be able to arrange affairs so as to get away from the penalty of the law.

George Thomas, chauffeur for a local business concern, paid a fine of \$3 and costs in police court on a charge of operating a car at night without having the proper lights burning. He was arrested by Officer Manshaw.

With blood oozing from several wounds John Moorehead was taken into custody by Officer Cabooter at the corner of Third avenue and Twentieth street at 10:40 o'clock last night. He was drunk, according to statements made by the patrolman in police court. He was released on payment of the costs.

Thirty-four lodgers were given bunk beds at the police headquarters last night.
